Titolo annuncio: JUNIOR CLIENT ADVISOR – RISK MANAGEMENT Infrastruttura

Descrizione azienda

Marsh is the world's leading insurance broker and risk advisor. With over 45,000 colleagues operating in 130 countries, Marsh serves commercial and individual clients with data-driven risk solutions and advisory services.

Marsh is a business of Marsh McLennan, the world's leading professional services firm in the areas of risk, strategy and people. With annual revenue over \$20 billion, Marsh McLennan helps clients navigate an increasingly dynamic and complex environment through four market-leading businesses: Marsh, Guy Carpenter, Mercer and Oliver Wyman.

Descrizione annuncio

Marsh is seeking candidates to join our Infrastructure, Power & Utilities Team as a Junior Client Advisor based in Milan.

The Team Infrastructure, Power & Utilities advises companies to manage their risk and create operational and financial stability for their business. Our clients operate in the power production from conventional and renewable plants, in the circular economy, Oil&Gas sector, the construction of plants and infrastructure, as wind and photovoltaic plants, hydrogen production plants, high speed railway, bridges, highway, tunnels, etc. We help them to succeed by reducing the total cost of risk, managing volatility and providing advice and solutions that enable them to invest confidently for the future. Our brokers combine deep industry expertise with our industry-leading analytics and predictive modeling engines to determine which risks to retain or transfer to make optimal risk-finance decisions, and then implement cost-effective solutions.

This is a fantastic opportunity to begin or progress your career in a specialized area of the
