Professional Graduate Programme @Marsh

Descrizione azienda

Marsh is the world's leading insurance broker and risk advisor. With over 45,000 colleagues operating in 130 countries, Marsh serves commercial and individual clients with data-driven risk solutions and advisory services.

Marsh is a business of Marsh McLennan, the world's leading professional services firm in the areas of risk, strategy and people. With annual revenue over \$20 billion, Marsh McLennan helps clients navigate an increasingly dynamic and complex environment through four market-leading businesses: Marsh, Guy Carpenter, Mercer and Oliver Wyman.

We are looking for Graduates interested in starting a career in insurance-brokerage and risk-management consulting to join our Graduate Programme.

What can you expect?

- A journey of growth and acceleration that includes both technical and theoretical training moments to be alternated with on-the-job training sessions with the steady coaching of three different key figures: a Tutor, a Mentor and a Buddy;
- An induction training where you will discover Marsh's organizational structure and strategic vision in details as well as meeting our Senior Leaders and their Teams;
- A Career progression within Marsh: starting with an initial 6-month internship, you will have a chance to accelerate your career through an employment agreement, that will be tailored upon your performance and dedication.
